

Today we're going to be looking closely at just

three verses in the bible that

tell us how it is possible for us to be

friends with God.

Firstly, Jesus' body was

broken : Rescue from sin

comes through Jesus' death on the

cross . Jesus takes the

punishment we deserve in our

place.

Second, Jesus

poured out his blood, he made us his

own.

Jesus' blood brings

forgiveness

of sins and it means we can be friends with God.

So what should we do with this great news?

We need to trust and

obey:

We trust that it is only Jesus' death that can means that we can be forgiven: we can't be

good enough for God

ourselves. And then we live the way God wants us to live because we

belong to Him.

Colour the picture of Jesus teaching his disciples at the Last supper and pray with your grown up that you would trust and obey Jesus.

"And he took a cup, and when he had given thanks he gave it to them saying, 'Drink it all of you, for this is my blood of the covenant which is poured out for many for the forgiveness of sins'" Matthew 26v27-28
