

This week we're back in

Matthew's

gospel and we're going to be thinking about  
how very very

important

Jesus' death on the cross is. In fact there is

nothing more important

than it and our passage today is going to help  
us to see how

valuable it is.

First we see the cross is the

powerful plan of  
God.

It was God's plan that Jesus the

King and judge of all would be

given up to die like a

Passover lamb

to save his people.

Second we see the

wickedness

of men.

In our passage we see two

different people

plotting to kill Jesus, the sovereign son of man:

1. Caiaphas: the High Priest

2. Judas :Jesus' disciple.

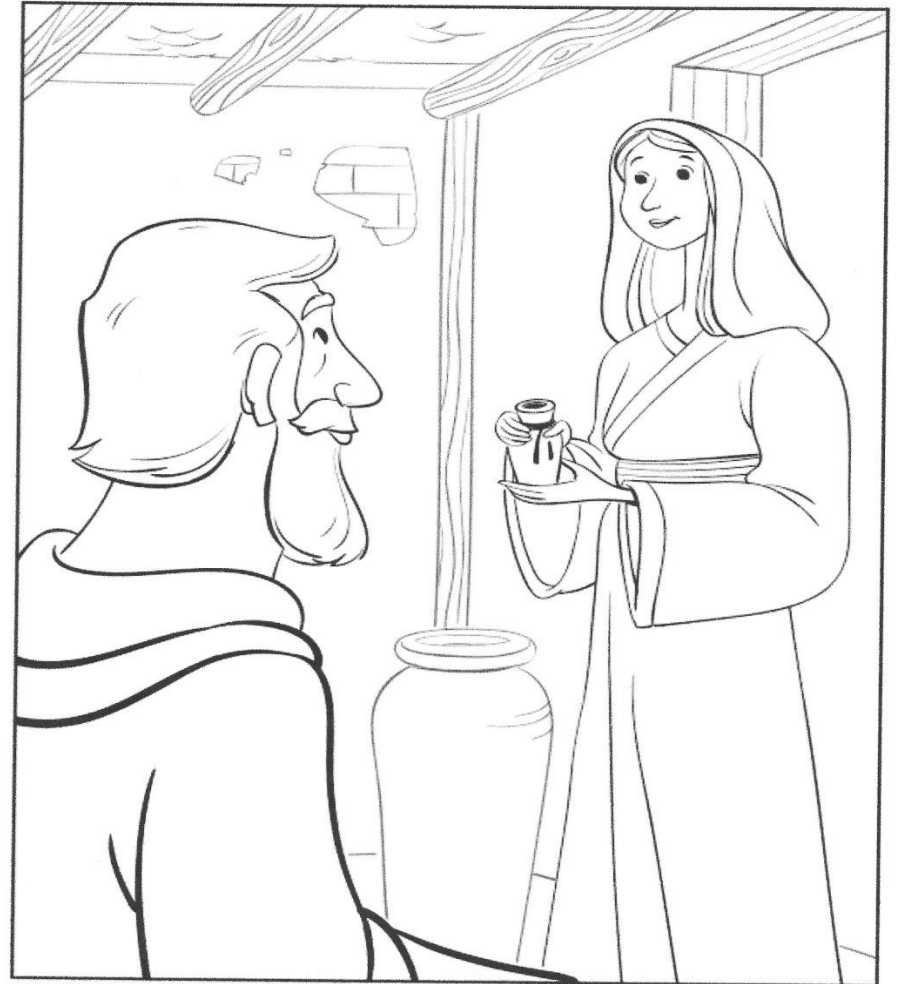

Thirdly we see in the middle of those two plots, a woman doing something

beautiful that

showed the priceless blood of Jesus. This shows both the woman's total love for Jesus and also how very

precious his death is.

Colour the picture of the woman and Jesus and pray with your grown-up asking God to help you to see how precious Jesus death is for you.
