

Pray with your grown-up now, asking God to help you to treat him as special in your heart, in your words and in the things you do. Colour the next line of the Lord's prayer and try to learn it this week.

Hallowed
be
your
name

BD Children's learning sheet - Lord's Prayer 2

Today we are carrying on learning to

pray from Jesus, but first he wants us to learn that we are not the most

important

person in the universe.

That's what the next line of the Lord's prayer teaches us. It says

"Hallowed be

your name."

We like to be in charge of our lives, but this part of the prayer

reminds us that it's all
about God, it's not about me. That word

'your' helps us to see this.

Next, we see that God is great. This line of
the prayer talks about God's

name. God's name helps us to
understand who God is. God is

great, He made everything
and He is in control of everything.
So because of who God is we want to bring

him glory. That's what the
funny phrase "Hallowed be" means. To

hallow means to make Holy. The
prayer is saying we want God to be loved
and his name to be

special. We are praying
that we would love God and honour him in

our heart, in our

words and in our actions.
